By collector of Ganjam WORDS 84 P.R.R. to Government

You are already aware of Mr Collector Reade's hatred towards me - He got up a charge against my nephew a minor as having blamed him in an anonimous address to himself and is ready to disgrace me severely thus he is a party in the case so justice cannot be expected from him If I lose my honor once I cannot regain it therefore I beg you will immediatly order some other officers to try the case and Mr Reade to stop his trial.
