Fort Saint George, Revenue Consultation of 22d March 1859.

No. 29. Read the following Extract from the Proceedings of the Board of Revenue, dated 4th March 1859, No. 799.

Read letters from Acting Collector of Coimbatore, dated 23d April and 7th December 1858, Nos. 73 and 198.

(In Con. 23d June and 28th December 1858, Nos. 1753 and 5616.)

Ordered that the above letters be submitted to Government with the recommendation of the Board of Revenue that the Acting Collector be authorized to retain at the Metapolliem

Public Bungalow the sweeper formerly attached to the Errode Bungalow recently sold to the Railway Company, as he states that the one sweeper now employed at Metapolliem is not sufficient to keep the place in proper order.

From Govt. 18th in Con. 22d Dec. 1857, No. 1325, R. D.

2. The Board think that Mr. Cherry shews sufficient reason for his application which will not involve any new additional expense to Government.

3. The other points touched on in the first of the letters now under consideration, have either been already disposed of, or are still under reference to the Supreme Government and call for no further notice at present.

No. 30. ORDER THEREON, No. 352; dated 17th March 1859.

The Government are unable to accede to the Board's recommendation; by the sale of the Errode Bungalow the sanction of the Government of India to the Establishment belonging to it terminates as a matter of course.

2. The Governor in Council is not of opinion however that in order to remedy the state of things at Metapolliem, as represented by the Acting Collector, it is necessary to appoint a second sweeper. The proper and primary work of the sweeper is not to bring water for travellers. At other bungalows the tariff includes a charge for water brought, the amount of which goes to the sweeper; who is thus able, where the number of travellers is great, to employ an assistant. Such an arrangement would meet the requirements of the present case.

Secretary to Government.
