№ 360

Date 18—3—1859

Fort Saint George, Revenue Consultation of 22d March 1859.

No. 45. Read the following letter from J. D. SIM, Esq., Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, R. D. dated Fort Saint George; 15th March 1859, No. 893.

SIR,

From Mr. Dale to Board dated 4th in Con. 7th March 1859, *No.* 915.

In Con. 12th March 1859.

With reference to Mr. Dale's letter to Government dated the 4th instant, and Extract Minutes Consultation 11th Instant, No. 309, R. D, I am directed by the Board of Revenue to state that in the opinion of the Board it is of great importance that the question in litigation, involving, as already remarked by the Board the interests of several Poligars of the District as well as of the Government should not be decided on insufficient evidence, and they would therefore still beg to suggest that Mr. Dale should also be directed to present the Petition as originally ordered in Extract Minutes Consultation 26th Ultimo, R. D., No. 249.

1 *Spare copy to Collector of Madura. In Con. 28th Feb.* 1859, *No* 836.

2. He might move the Judges to modify their C. O. so as to render admissible appeals against the refusal of the Lower Courts to receive evidence tendered before the case has come to a hearing. The interests of Public Justice appear to require that there should be no needless impedinert to the whole evidence in every cause being laid before the Court which decides it.

No. 46. ORDER THEREON, No. 360; dated 18th March 1859.

The Government see no sufficient reason to modify their former order.

(Signed) J. D. BOURDILLON,
Secretary to Government.
