To Myself Esq.

Chief Secretary to Government

Fort Saint George

The humble Memorial of Your Honor's servant

Seelamantay Prungala Chuloo;

Honorable Sir,

Permit me, Honorable Sir, to submit my numerous grateful humble respects for the kindness which the Honorable Government have done me on the 15th instant by transferring me to the Trichinopoly District, and I humbly solicit Your Honor to accept them.

I feared very much when I received the letters noted in the margin intimating that my Memorial of the 25th March, as well as the Telegraph message of the 3rd April, which were sent to Your Honor, were laid by the Private Secretary before the Honorable the Governor, lest I should incur the displeasure of the Government and thus be considered as a traitor to some character in consequence of my repeated representations. But thro' the mercy of God and the help of Your Honor, the result of my Memorials being very favorable to myself and family, I pray the Almighty God for Your Honor's long life, Prosperity &c. &c. All my wishes being thus accomplished

From the Private Secretary's Office 59

by Your honor's favor, I will gladly proceed to Trichinopoly
so soon I may be relieved by others here, and from thence
again submit my heartfelt thanks to Your honor -

I trust all Your honor's old friends Messrs
Matheson, Bruce, Stokes now at home and other
Gentlemen who knew me will be very much pleased
to hear this happy news -

Mr Purvis was pleased to say that he could
not dispense with any services unless a Sarkar Khana
Kistna came to whom the Managership was lately offered
come down from Madras, or any Deputy Collectors are
appointed by Government to their district - It is not
known when this would be settled - The monsoon also
has now set in - I must take up a long journey -

The season is very good in this part of the country,

and the agricultural operations are rapidly going on
particularly in villages irrigated by the ancient canals -

Trusting that this my poor Memorandum will

find Your honor in perfect health,

Cocanada
