The accouchment of my Wife is near at hand, and may likely take place within a week. Her present state of health has been pronounced by the Medical people to be in a precarious condition, which combined with the fact that she has been all along ailing during her pregnancy; I entertain serious apprehensions of her and consequently submit this my application for one months Special leave on private affairs under Section VII of the absentee Rules for the uncovenanted Service and to solicit the favour to be good Enough to obtain the necessary sanction. The leave granted me under Medical certificate expires to morrow.

I beg to Remain
