Acting Collector of Salem

Sir

Having had an improvement of my health, I would be most anxious to join my station but for the following circumstances which has rendered my further stay in Trichinopoly as an urgent and unavoidable matter.

The accouchement of my Wife is near at hand, and may likely take place within a week. Her present state of health has been pronounced by the Medical people to be in a precarious condition, which combined with the fact that she has been all along ailing during her pregnancy; I entertain serious apprehensions of her and consequently submit this my application for one month's special leave on private affairs under Section VII of the Absentee Rules for the uncovenanted Service and to solicit the favour to be good enough to obtain the necessary sanction. The leave granted will be under Medical certificate if necessary to that effect.

I have the honor to be
Sir
Your most obedient
humble Servant
