Secretary to the Board of Revenue

Fort Saint George

Sir,

I have the honor to report the measures taken to give effect to the resolution of Government conveyed in Extract Minutes of Consultation No 1218 dated 3rd December 1857 received with Board's Circular dated 5th Idem No 4333.

2

In this District there are two Principal Depots of Stamps at the two Treasury stations of Calicut and Illicherry at both the Treasurer was the Darogah of Stamps with a separate Establishment of accounts for

3

I have now separated as far as regards both stations the connexion between the stamps Establishment and the ministerial

ministerial servants of the Collectors office and have

appointed estab. Establishments as per margin to carry out the duty of these two Departments.

4 It has been necessary to allow good salaries

Establishment	Salary per month	Total	Amount of Security
In the Hojoor			
Darogah	50	1500	1000
Head Poustah	30	500	
2 nd Do	20	250

to the Darogahs in order to secure trustworthy men and in consideration of the large amount of property under their charge. To the first Poustahs likewise of good salaries are assigned as responsibility falls on them in the absence of the head and I have required an ample security from them.

5 The marginal abstract statement shows the average sales for during the last two years at both these

Stations	No of places where sold	Average sale of 2 years 1855/56 and 1856/57	Average Commission realized per year	Proposed pay to the Establishment	Amount per annum
1	2	3	4	5	6

The Establishment understand that their salaries will be reduced in a rateable proportion should the average Commission fall short of the total salaries which however is not probable as the Revenue under this head is continuing to improve.

fixed the amount of salary proposed for the new Establishment in justa position.
