2. I may explain that during my stay
in Madras in the early part of 1858 the issue of
the Gazette to me was stopped by some mistake
on the part of a person employed in Mr. Smith's
Establishment.

3. I took an opportunity of being in the
building containing the Government offices to
mention this to Mr. Smith who in my presence ordered
the missing numbers to be sent to me.

4. If I mistake not those from the
5th March to the 16th April inclusive
must be among those not originally sent.

5. The three numbers in July very
possibly were despatched to me and may have
been mislaid by me for at that time I was

seriously unwell. For them I am willing to pay should
it be deemed necessary.

b. I now have to request that Govern-
sanction be obtained to the numbers required to complete
the series in my office being issued to me.

7. My reason for not having at an earlier
date made this request is that at the time of the
receipt of Mr. Smith's letter I hoped to be at
Madras before the expiration of the year
