No. 25. Read the following Extract from the Proceedings of the Board of Revenue, dated 19th March 1859, No. 960.

Read Extract Minutes Consultation, dated 17th March 1859, No. 346, R. D., referring to the Board for report an Extract Minutes Consultation in the Public Department relative to the request of the Deputy Superintendent Electric Telegraph, Ceylon and Southern Coast Line for the transfer of the Travellers' Bungalow at Paumben to the Telegraph Department for the purposes of an Office and private residence of the Assistants.

(In Con. 19th March 1859, No. —.)

The Public Bungalow at Paumben is so little frequented by Travellers that the Board do not hesitate to recommend that it may be made over to the Telegraph Department, one or two rooms being reserved for the present for the use of Travellers.

2. The Board request the Collector to report the number of bonâ fide Travellers who have halted at the Paumben Bungalow during the last year, and to give his opinion whether it is necessary that a building should be erected there for the accommodation of the Public in the event of the present one being wholly given over to the Telegraph Department, Mr. Clarke will also state whether the present Bungalow is so constructed that one or two rooms could be permanently reserved for Travellers without inconvenience to the Telegraph Department.
