N° 419

No. 59. Read the following Remarks of the Board of Revenue, dated 19th March 1859, on a Tabular Report from the Acting Collector of Salem, dated 8th February 1859, No. 952.

(In Con. 12th February 1859, No. 541.)

1. The deceased, who was daughter of the registered holder in 1797, having left no heirs, the Inams, which she enjoyed in the several villages mentioned in the report have clearlyescheated.

2. The claim of the person who calls himself the adopted son of the deceased's husband is inadmissible in consequence of his having failed to prove his adoption.

3. The Inams in Muddagoondanahully and Honnutty are held under a mortgage, which must have been cleared off long ago from the usufruct of the land enjoyed by the mortgagees.

4. On the above grounds, the Board concur with the Acting Collector in recommending that the first three Inams assessed at Rupees 37-12-0, should be resumed.

5. The Inam lands in Conahully and Osutty are registered in the Survey accounts in the name of the deceased incumbent's father, but as they appear to have been from the date of Survey held by Nunjoonda Butten and his sons the present claimants, the Board are of opinion with the Acting Collector that their possession should not be disturbed. The Acting Collector will report when a lapse occurs.

6. The last holder having died in 1850, the Acting Collector should have explained the cause of so great delay in reporting the case.

(By Order.)

No. 60. ORDER THEREON, No. 419; dated 28th March 1859.

The Right Honorable the Governor in Council in consideration of the long enjoyment of the Inam lands of Conahully and Osutty in the Salem District by the family of Nunjoonda Butten sanctions the continuation of the Inams in the name of Rama Butten and other sons of the deceased Nanjoonda Butten. The whole of the other Inams described in the Collector's Tabular Statement will be resumed as recommended by the Collector and the Board.

2. The Government resolve to point out to the Board the necessity of correct printing, especially of names. In the present case the name of Coorahutty, perfectly legible in the Collector's remarks, appears as Conahully in the Board's Proceedings.

3. The Board will also point out to the Collector that this very word is spelt in two different ways in his Statement. It is Coorahutty in the remarks, and Cooroohutty in the second column.

(Signed) W. C. SIM,
Acting Deputy Secretary to Government.
