No 420

Fort Saint George, Revenue Consultation of 1*st April* 1859.

No. 61. Read the following Remarks of the Board of Revenue, dated 16th March 1859, on a Tabular Report from the Collector of Nellore, dated 8th January 1859, No. 908.

(In Con. 12th January 1859, No. 140.)

The above report is submitted with reference to a claim preferred by the Petitioner Nursingrow to certain Inams in the Oodiagherry Jaghire, said to have been held by his late father under an order bearing the seal of the late Jaghiredar, dated in Fusly 1215, A. D. 1805-6, but which were resumed in 1840 with the Jaghire.

From Collector 5th September 1856, *in Consultation* 1*st July* 1858.
Pro. to Collector 1*st July* 1858.

2. The Petitioner's claim to the Inams in Pedda Annalore and Atmacoor has been rejected both by the Collector and the Board as untenable, because the Inams, though mentioned in the order, are not entered in the Village acconnts and one of them could not be pointed out by the Petitioner.

3. The report refers to the Inam in Goompalapâd, which includes both wet and dry land. The grant is said to have been originally made to the ancestors of Canoogoo Neelacuntarow, but when, or by whom, is not known. Some 60 years ago, it was alienated by Canoogoo Neelacuntarow's grandfather to the Petitioner's father Soobarow, whether by sale or gift cannot now be ascertained. The order above referred to merely continues the six goortoos of *dry* land in Goompalapâd, and as this Inam appears in the village and Jummabundy Accounts as held by the claimant, the Board concur in the Collector's recommendation that it be restored to him with the exception of the portion which was made over to a ryot on the assumption of the Jaghire.

No. 62. ORDER THEREON, No. 420; dated 29th March 1859.

The Right Honorable the Governor in Council concurs in the opinion of the Board that Petitioner's claim to the Enams in Pedda Annalore and Atmakoor is untenable; but sanctions the restoration to Petitioner Nursingrow of the six goortoos of dry land in Goompurtapaud, (with the exception of that portion which was made over to a Ryot), in accordance with the recommendation of the Board as contained in para. 3 of their Proceedings of the 16th March 1859, No. 908.

No. 2285.

Extract from the Proceedings of the Board of Revenue, dated 1st July 1858.

In Con. 1st July 1858. Read letter from the Collector of Nellore, dated 5th September 1856.

(Here enter No. 188.)

The Petitioner Nursing Row claims Enams in the three following villages which formed part of the Oodiagherry Jaghire:—

I. Pedda Annalore.

II. Atmacoor.

III. Goompurlapaud.

2. The Enam in the first did not belong to his family, but is said to have been transferred to them by his wife's father with the late Jaghiredar's consent. The original Sunnud, on which the Enam was said to be held, is not forthcoming, and the Enam is not mentioned in the Village accounts rendered by the Curnums on the assumption of the Jaghire. The Committee of Native servants employed by the Collector (Sir V. Stonhouse) in investigating claims to Enams at the time of assumption were favorable to petitioner's claim in their report dated 30th August 1845, but their recommendation was not acted on. The Board concur with the Acting Collector that this claim is untenable.

3, The Enam in Atmacoor is not entered in the village accounts. Petitioner cannot point it out, and the evidence brought forward in support of the claim is inconclusive. The Board therefore reject this claim also.

4. The Enam in Goompurlapaud includes both wet and dry land, but only the latter (6 Goortoos in extent) appears in the Curnum's accounts. These officers explain the omission of the former by asserting that they forgot it, because it had long been waste and unfit for cultivation. The Enam Committee above referred to, were favorable to this claim, and mention that petitioner holds satisfactory documents in support of it, though they do not detail them. Their report however shews petitioner's enjoyment of the land and its entry in the Zemindary accounts. The Board are disposed therefore to admit the claim to the dry land.

5. The Collector will forward a Tabular Statement, in the prescribed form, for Enams, and will submit attested copies of the entries in the Public accounts and the original documents referred to by the Enam Committee.

Resolved that the following Endorsement be passed on Petitions
