No 428

Dated 30-3-1859

No. 75. Read the following letter from H. NEWILL, Esq:, Director Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government, Fort Saint George; dated Madras 28th March 1859, No. 274.

SIR,

In reference to the appointment in the Fort Saint George Gazette, dated 25th Instant, of V. Tiruvengadicharry now acting as my Uncovenanted Assistant, to be a Deputy Collector and Magistrate in Chingleput, I have the honor to request that he may be permitted to continne in his present post for a few months to come, and that some other person may be appointed to act for him in the meanwhile. He is now employed in preparing the accounts for the settlement of the talooks in South Arcot, which I have been framing during my recent tour, and upon which I hope shortly to report to Government, and the most serious inconvenience and delay would arise by depriving me suddenly of his services at this juncture, as there is no other individual who is qualified from experience in the Department, to take his place, or upon whom I could cast the responsibility of these details.

2. I should have proposed to have confirmed him in the place he now temporarily holds as my Uncovenanted Assistant on a salary of 280 Rupees per mensem, which is superior to that of the grade to which he stands appointed in the list of Deputy Collectors; but he is unwilling to continue in the Department in consequence of the inconvenience of constantly moving about, and his finding his present salary, under these circumstances, insufficient; but on this subject I may hereafter address you again, though Trivengada will not probably be induced to remain in my Department, even in consideration of an increased emolument, which, to his mind, will not compensate for the inconveniences of long journeys of several hundred miles away from the Head Quarters of the office, and it is vain to expect the assistance I require from a person who is reluctantly kept permanently in the position he now holds.

No. 76. ORDER THEREON, No. 428; dated 30th March 1859.

Referred to the Board of Revenue; who will deal with this case under para. 5 of the Extract Minutes Consultation dated 25th March 1859, No. 405. It is the desire of Government however that Teroovengadacharry should not be kept from taking up his new appointment longer than the necessities of the public service really demand.

*Secretary to Government.*

in the position he now holds.
