No 432

Dated 30-3-1859

No. 83. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George; dated South Arcot, 28th February 1859, No. 185.

SIR,

Para. 1. I have the honor to request permission for the Superintendent of Revenue Survey to entertain, in the Survey Parties for Rajahmundry and Masulipatam, a number of pupils similar to those employed in the Trichinopoly District as specified in the margin and sanctioned in para. 2 of Extract Minutes Consultation dated 24th June 1858, No. 873, and also to engage the services of any pensioned or other qualified Medical Subordinates that may offer themselves for employment in the Survey Parties.

30 *Volunteers on pay varying from 3-8 to 5 Rupees per mensem.*

2. Government have already in Extract Minutes Consultation dated 8th April 1858, No. 448, intimated their inability to supply Medical Subordinates from the regular establishment; and I would therefore beg to recommend that Captain Priestley's request may be granted. This Officer proposes to defray the salary of the Medical Officers he may employ out of the surplus funds available from the amount sanctioned for the present Survey Establishment, which is still incomplete, until he can re-adjust the salaries of the servants belonging to it so as to meet this extra charge without additional cost to the State. The rate of pay for each need not exceed the salary of a 1st Dresser, viz. thirty-five Rupees per mensem.

3. I take this opportunity of pointing out the extreme difficulty of getting any qualified Medical Subordinates and that at this moment the two Settlement and two Survey Praties in Rajahmundry and Masulipatam are still without any Medical aid which is a most serious inconvenience considering the extent of these large establishments. If circumstances should have altered since the date of Government order above quoted, so as to admit of any Subordinates being supplied from the Medical Establishment, it would be a great benefit to the public service as respects the Survey and Settlement Departments.

No. 84. ORDER THEREON, No. 432; dated 30th March 1859.

The Right Honorable the Governor in Council authorizes the Superintendent of Survey to entertain for each of the Survey parties for Rajahmundry and Masulipatam thirty Volunteers on salaries varying from 3½ to 5 Rupees per mensem, the salaries being defrayed in the same manner as those of the Volunteers authorized in Extract Minutes Consultation 24th June 1858, No. 873, for the Trichinopoly District.

2. Before acceding to the further request for the employment of Medical Subordinates, the Government desire to be informed whether there is any and what likelihood of getting fit men for the service.

(Signed) J. D. BOURDILLON,
Secretary to Government.
