I arrived at this station on the 4th Instant and took charge of the Revenue and Police business of the Town and the Madacolum Talook. I have also been placed in charge of the Printing Press.

Mr Clarke, I am happy and thankful to state I find to be (exactly as you led me to anticipate) a most excellent officer to work under. He has expressed a wish to

send

send me to Rammad and to
place me in charge of the Salt
pans and Sea Customs, as

proposes to recommend me

kind support in case this
proposal should be submit-
-ted for sanction? And I
beg to assure you that in
whatever position I may
be placed, I will not fail
to use my utmost exertions
to give Satisfaction

Trusting you will kindly
