Fort Saint George, Revenue Consultation of 5th April 1859.

No. 4. Read the following Extract from the Proceedings of the Board of Revenue, dated 14th March 1859, No. 870.

Read letter from the Collector of Canara, dated 17th January 1859, No. 4.

(In Con. 25th January 1859, No. 316.)

In Con. 23rd November 1858. Resolved that the above letter be submitted to Government with reference to Extract Minutes Consultation dated 4th November 1858, R. D., No. 1491.

2. It will be seen that the charges for all printing work done for the Collector's office including those for the District Gazette have been hitherto met from the accumulated sale proceeds of printed Customs forms. This fund having thus been greatly reduced, the Collector requests permission to place the savings effected by the reduction in his permanent establishment to the credit of the Press Fund.

3. The Board recommend that the Collector may be authorized to carry the sum of 210 Rupees mentioned in para. 3 of his letter to the head of the District Press Fund, and to transfer the sum of Rupees 131 now in the deposit to the Customs form Fund.

In Con. 23rd Nov. 1858. 4. The sanction conveyed in Extract Minutes Consultation 4th November last, No. 1491, enables the Collector to credit his Press Fund with the monthly saving of Rupees 37 as it accrues, and this Fund may be used to defray printing expenses incurred at the Mission Press, until his own Press establishment is organized.

No. 5. ORDER THEREON, No. 461; dated 2d April 1859.

Agreeably to the recommendation of the Board of Revenue, the Honorable the Governor in Council authorizes the Collector of Canara to charge in the accounts to charges of establishments and credit to the Press Fund, the sum of Rupees (210) two hundred and ten, being the accumulated sum of the savings effected in the general establishment for maintaining a Press office to be established in the district but carried to the credit of Government. The Collector is further authorized to add to that fund the monthly saving of 37 Rupees together with Rupees 131 now in deposit.

(Signed) J. D. BOURDILLON,
Secretary to Government.

IN CON. 25th JANUARY 1859, No. 316.

From W. FISHER, Esq., Collector of CANARA,

dated Mangalore, 17th January 1859. No. 4.

1. In Extract Minutes of Consultation dated 4th November, received with the Board's Proceedings under date 23rd idem No. 4361, Government have sanctioned my making use of Rupees 37, the sum saved monthly by reductions in my present permanent Establishment, in defraying the cost of working the Press about to be established in my Office; and I propose to take advantage of the sanction, from the date on which the printing establishment is actually entertained. Up to this time, the charges incurred for all printing work done for my Office at the Mission Press, those for the Canara Gazette included, have been defrayed from accumulated proceeds derived from the sale of printed Customs forms. This fund has become greatly reduced, and I am therefore under the necessity of applying for permission to place the savings which have already accrued from the reduction alluded to above, to the credit of my Press Fund. These savings amount at this moment to Rupees 341.

2. Of this amount however, only Rupees 131 have been charged in my monthly abstracts, and held in deposit, Rupees 210 having of late been deducted from the Bills, and credited to Government, as savings from pay of establishment, this appearing to me the correct course to adopt, pending sanction of my proceedings.

3. I have the honor, under these circumstances, to request permission to charge the sum already credited to Government, (Rupees 210) together with savings from salaries, (Rupees 37 per mensem), as they occur, in the monthly Contingent Bills, as required; and to credit the Form Fund with the money in deposit, (Rupees 131).
