Resolved that the foregoing letter and its enclosure be submitted for the information and orders of Government, with reference to Extract Minutes of Consultation, dated 6th September 1858, No. 1211, R. D.

2. The Board recommend that sanction be granted for the charges incurred on account of the hire of Carts supplied to the 49th Regiment N. No. 2. ORDER THEREON, No. 475; dated 6th April 1859.

The Government sanction the charges incurred on account of the hire of Carts supplied to the 49th Regiment N. I. in November 1857, amounting to Rupees (416-5-4) four hundred and sixteen, annas five and pice four. The Government regard the present as another instance of the wasteful character of the evil system of compulsory hire. It is to be hoped that the time will soon arrive when the system will be entirely abolished, for it is impossible that the character of the people can improve, or the resources of the country be developed, while subjected to the blighting and depressive influence of such an infliction, which is multiplied a hundredfold through the opportunity for exaction so given to the numerous Native subordinate officers.

This must, of course, be sanctioned - but it is only another instance of the wastefulness & expense of this evil system of compulsory hire. I hope the time will soon arrive when we may entirely abolish it. It is impossible that the character of the people can improve or the resources of the country be developed while they are subjected to the blighting depressing influence of such an infliction, which is multiplied a hundred fold through the extortionate hire of the numerous ill paid native subordinate officers & coolies.
