Fort Saint George, Revenue Consultation of 12th April 1859.

No. 61. Read the following Extract from the Proceedings of the Board of Revenue, dated 23d March 1859, No. 998.

Read letters from the Acting Collector of Salem, dated 27th August and 3th December 1858, and 17th February 1859, Nos. 123, 199, and 29.

(In Con. 31st August and 14th December 1858, and 21st February 1859, Nos. 3918, 5598, and 636.)

Resolved that the foregoing letters and the enclosures *In Consultation 28th April 1858.* of the first be laid before Government for information with reference to Extract Minutes Consultation dated 29th March 1859, No. 408, R. D. paras. 7 and 8.

2. The Board recommend that sanction be granted for supplying the Collector of Salem at once with the articles entered in the annexed list of Types &c. urgently required for the efficient working of the Printing Press of his District. The other articles indented for by the Collector will be included in the General Estimate of Printing materials still required for the Districts in which Presses have been established, and will be supplied from Madras, as it is presumed that most of the articles can be procured much cheaper here than in the Districts.

3. The Board approve of the Acting Collector having ordered the construction of two pair of Tamil cases and 12 gallies, and direct that a Statement of the cost of the articles be submitted hereafter for sanction.
