Report of the Civil Station

No 702

General Report

The W. E. Johnson, Deputy Collector, New York
is eligible to 20 days leave under Section VIII of the Revenue Laws
applicable to the Civil Station.

The above application should have been submitted in original to the
Office for Report, but as it is attested by Mr. Whitworth, Chief of
Revenue, Government may perhaps be pleased to make the present matter
an exception to the rule, considering the distance & time from New
York. A copy however of this report has been forwarded to
the Assistant for his future guidance.

For Grant George,
Civil Station Office,
19th Oct 1859.

Revenue Department
