G.O. No.	5 2 6	Press Mis.
Dated	19. 4.	18 57

Not to be folded or roughly handled

Fort Saint George, Revenue Consultation of 19th April 1859.

No. 6. Read the following Extract from the Proceedings of the Board of Revenue, dated 1st April 1859, No. 1143.

Read the following letters from the Collector of Masulipatam, dated 18th October 1858, and from the Collector of Bellary, dated 25th February 1859, Nos. 198 and 201.

(In Con. 28th December 1858 and 1st March 1859, Nos. 4785—845.)

The above letters have reference to the working of the new rules for admission into any grade of the Uncovenanted Service of Government, above that of Peon.

2. The last letter may be disposed of first.

Mr. Pelly requests the Board to obtain leave from Government for the confirmation in the post of Karcoon on Rupees 10½ pay, of one Vencoba Row, the son of a deceased Talook Moon-shee, a servant of 42 years' standing, who died on the 7th instant and has left a large family unprovided for.

3. Vencoba Row is qualified for the office to which it is proposed to appoint him, but has not passed the Government examination.

Fort Saint George Gazette 15th and 18th March 1859, pp. 526 and 551. The Board can only refer the Collector to the orders of Government dated 11th and 18th instant, under which they feel themselves precluded from supporting his recommendation.

5. In the letter of 18th October 1858, Mr. Knox enquires whether persons who have been employed on Hungamy or Temporary Establishments, who may have been thrown out of employ by the abolition of the office or department to which they were formerly attached—who may have been dismissed, but declared eligible for future employment—or lastly who having been long working as volunteers, have been at times employed in situations temporarily vacant and have rendered gratuitous service in the hope of obtaining permanent employ—may be admitted into the service without passing the public examination.

6. The Board think that the case of those who are now out of employ by reason of the abolitions of the office they formerly held is exceptional, and that such may properly be submitted for the orders of Government as they arise.

7. They do not see in the other cases any features so peculiar as to warrant a departure in their favor from the established rule, and they must moreover be so numerous, that a relaxation on their account would probably be equivalent to a suspension of the rules for a lengthened period.

No. 7. ORDER THEREON, No. 526; dated 13th April 1859.

The Governor in Council approves the orders passed by the Board of Revenue as recorded in these Proceedings.

(Signed) J. D. BOURDILLON,
Secretary to Government.

IN CON. 1st MARCH 1859, No. 845.
From C. PELLY, Esq., Collector of BELLARY,

dated Ramandroog, 25th February 1859, No. 20.

With reference to Extract from the Minutes of Consultation, No. 110, of 22nd January 1859, forwarded with Extract from the Proceedings of the Board of Revenue, No. 486, of the 10th instant, I have the honor to request permission for appointing to a small office, a man who has not passed the prescribed examination.

2. Bapoorow, a talook Moonshee of the Kumplee Talook in this District, died on the 7th instant; his place has been filled up by Krishtappa a Karkoon, whose room is now vacant. and I would wish to give the vacant place, which is an office on a salary of only $10\frac{1}{2}$ Rupees, to Vencobarow the son of the deceased Talook Moonshee. But the Government, in their Minutes above quoted, have distinctly ordered that, from and after the 1st January 1859, newly appointed Uncovenanted servants must be parties whose names are entered in the published lists of passed candidates, and no others; and Vencobarow has not passed the examination. Baupoorow, the deceased Moonshee, was an old Government servant having served for about 42 years, on the small pay of $10\frac{1}{2}$ Rupees. He has left a large family who were dependant on him, and he has not any relatives in office save I believe a Talook Goomastah whose son is married to a sister of his.

3. Vencobarow, the son of the deceased, is fit for a Karkoon's place, and I have temporarily appointed him to the vacancy, subject to the orders of Government; and beg to request the Board will submit his case for the favorable consideration of Government.
