Fort Saint George, Revenue Consultation of 19*th April* 1859.

No. 9. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department Fort Saint George; dated Madras 11th April 1859, No. 339.

SIR,

1. In reference to para. 2 of Extract Minutes of Consultation 30th Ultimo, I have the honor to state that the difficulty of getting subordinate Medical attendants for the Survey and Settlement parties, described in my letters of 28th February and 25th March last, still continue, and that there appears no likelihood of procuring fit men except from the Medical Department.

2. At present Dressers are required for the two Settlement parties in Rajahmundry and Masulipatam, and for the three Survey parties in those Districts and that of Trichinopoly. The Settlement estimates provide for first Dressers on 35 Rupees a month, while in the Survey lists no sum is provided for the purpose.

3. I may add that Cholera exsits in a virulent form, in the locality in which the Trichinopoly party are at work, and some of the Deputy Superintendents' best hands have fallen victims to it. The only Medical assistance is what Captain Hessey himself personally affords in the way of medicines.

No. 10. ORDER THEREON, No. 528; dated 14th April 1859.

Referred to the Director General of the Medical Department, with the request that he will report to Government in what way he can supply the Medical help required for the five Survey and Settlement parties already constituted.

Acting Deputy Secretary to Government.
