Revenue Department

Fort St George

Sir

In clause 4 Section V of the Salem Rules published in the Supplement to several recent Issues of the Fort St George Gazette the rate of Dustrent is erroneously given in the English version at one half instead of one fourth of the assessment. The error originated in the Nambipatam Press Office and I have only just discovered it. In both vernacular versions the rate is given correctly - at one fourth -. Inasmuch as it is desirable that the error should be corrected I beg to send a Notice, which I recommend should be published in the next issue of the Gazette. My telegram of this day will prevent a repetition of the error in Annexures

I have the honor &c &c
