To

Fort St George

Sir

In clause 4 Section V of the Salem Rules published in the Supplement to several recent Issues of the Fort St George Gazette the rate of Pantrent is erroneously given as one fourth of the assessment. The error originated in the Mamlipatam Press Office and I have only just discovered it. In both vernacular versions the rate is given correctly - at one fourth - but as it is desirable that the error should be corrected I beg to send a Notice, which I recommend should be published in the next issue of the Gazette. My telegram of this day will prevent a repetition of the error in Provisional Issue.

I have the honor &c &c

Your most obedient

Servant

Trans Commissioner

Erratum

At the close of Clause 4 Section V of the English version of the Iranee Rules published in the Supplements to the Fort St George Gazette dated respectively the 4th, 7th, 11th, 14th, 18th & 21st October. For "One half (½)" read "One Fourth (¼)"
