Sub Collector Bellary

Sir,

Adverting to your letter of the 11th Instant, to the address of the Collector of Bellary, forwarded by Mr Pelly, I have the honor to observe that, para 12 of the letter from the Secretary to the Govt of India cited therein quoted, & also published at page 399 Fort St. George Gazette, of 1859 Volume 1, provides for the payment of a special allowance to a Civil Servant who was ordered out to India, before the expiry of his furlough, only "From the date on which he was first appointed to act in any office"; As you were appointed to act as Deputy Collector of Sea Customs at Madras on the 20th October 1857, I am prepared to admit the special allowance from that date; but not from any date prior to the 20th.

2. As regards your claim to the allowance for the period intervening between your ceasing to act as Deputy Collector Sea Customs at Madras, and appointment as additional Sub Collector of Bellary, I would remark that the payment thereof is dependent upon an officer obtaining an acting appointment; No provision is made for granting

granting the special allowance to an officer altogether without employ or for one who has obtained permanent employment, should you be dissatisfied with my construction of the order I would suggest that you refer the matter to Govt. for decision through the proper Channel.

Collector of Bellary

Sir

With reference to Extract minutes of Consultation dated 3d March No. 142 (Copy of which I beg to enclose) I have the honor to request that you will be good enough to ascertain from the Civil Auditor whether I am not entitled to additional allowances for the days I was without any employ at all, after my return from Furlough in 1857. I beg to remark, that my appointt at date of Furlough was not that of Sub Judge, but I was Sub Collector of Malabar and acting 2d Collector of Sea Customs at Madras. My Salary must therefore have been Rs. 1500 or very near it. I returned from Furlough on the 12th October 1857, but I was not appointed to act as Deputy Collector of Sea Customs till the 20th October. From the 12th to 19th October (8 days) I was thus without employ my acting appointment was for only one month, I must therefore have vacated Office on the 20th November, and I obtained my permanent appointment on the 24th Nov. so that from the 20th to 23d November or 4 days I was without employ. I take leave to submit that it is the intention of Government that I should for these 12 days receive the difference between my subsistence

allowance

allowance, and the salary of Deputy Collector of Sea Customs Madras. This difference will I calculate amount to nearly Rupees 500.

2 The evident wish of the Government of India is that those who returned from Furlough, should as to allowances be in at least as good a position as they were at the date of taking Furlough. But when I return from the remainder of my Furlough, I shall then have to take my chance of having to wait for a vacant appointment. Unless therefore I receive the difference for these twelve days, I shall be exposed twice to this chance or rather certainty of loss. My only acting appointment was that of Dy. Collector of Sea Customs. the allowance ought therefore to be the difference between my subsistence allowance, and the salary of that appointment. I may remark that the salary of the permanent appointment which I ultimately obtained was more than 200 Rupees a month below the salary I was drawing when I took my Furlough, or a difference of some Rupees 3,000 in the course of 15 months.

3 Should the Civil auditor refuse to admit my claim, I would request that it may be submitted for the favourable consideration of Government. I am sure that it is in accordance with the liberal intention evinced to save us from obvious and ascertainable loss.

I have the honor to be &c.
