27		Ashtoor Taluk in the Agraharam called Auratty & Irishvacum allowance of one share. Rs. As. P. 13 15 3		This Agraharam was originally a Surwah Enam village granted by the Rajah of Mysore after the Assumption of the Country by the British, the Village was surveyed and assessed, and the Beiz was allowed to the holders of the Enam as Irishvacum. At that time, the sum of Rupees 13. 15. 3. shewn in Column 2. fell to the share of Mootoo Sashien.		Charity		Ramien, the son of the original grantee was the last holder. who died in the month of April 1858		The deceased enjoyed the entire allowance mentioned in Column 2.				This Irishvacum allowance was granted during the survey to Mootoo Shashien; on whose death it passed to his son Ramien who died in the month of April 1858 unmarried. 2 Soobien, a distant Kinsman of the deceased, claims the allowance, on the ground that he performed the funeral ceremonies of the deceased. But this isolated act does not entitle him to the Enam enjoyed by the deceased. 3 Another individual named Veerabadra Soobien, who is grandson of the deceased, lays a claim on the ground that the allowance was mortgaged by him in 1846, for a Consideration of Rupees 150 then paid. 4 The Circumstances however, that the alleged mortgagee drew the allowance, during the lifetime of the deceased, renders the mortgage Deed a very doubtful document. 5 The Deed was not attested by any village Officials, and the Curnum considers the signature of the mortgagor on the Deed to be spurious. 6 It also appears from the Record, that on the 17th March 1857, a petition was presented to the Collector in which the mortgagee, while requesting the Collector to register the allowance in his Claimants name, makes no allusion whatever to any mortgage. 7 The Curnum also doubts the genuiness of the signature to this petition, which resembles that on the alleged Mortgage Deed. 8 On the above grounds, I would recommend the resumption of the allowance.
