2. Of the 21 Estates held under management in Fusly 1265, A. D. 1855-56, two, viz. Samattore and Cotamputty in Coimbatore passed into the hands of their proprietors, so that the Estates to be noticed as belonging to the year under review are 19. Of these, Purla Kimedy in Ganjam is as the Government are aware retained under the Court's management owing to the mental incapacity of the owner; and the remaining 18 on account of the minority of the proprietors.

Statement No. 1.—3. The total number of villages in these Estates was 3,616$\frac{2}{3}\frac{9}{2}$* being 11 below the preceding year, which resulted from the addition in the year of two villages which were newly built on certain reclaimed jungle lands in Purlah Kimedy, and by the deduction of 13 villages belonging to the two Estates which were made over to the owner as stated in the preceding para. Of the 19 Estates under management those noted in the margin† have been since made over to the proprietors. Three additional columns have been opened in the Statement No. 1 to give the information required in para. 9 of Extract Minutes Consultation, dated 4th August 1855, regarding the age, &c., of the minors.

Statement No. 2.—4. The extent of land in occupation in Ryotwar villages was Acres 1,92,869 bearing an assessment of Rupees 6,59,851, including Fussuljasty. Deducting therefrom the Remissions Rupees 20,316, of which the greater portion was as usual in the Estates noted in the margin,‡ the net Revenue amounted to Rupees 6,39,505; but adding Rupees 25,102 being ready money collections, and Rupees 16,396 being the Ryotwar demand on the Estates of Badagadah and Jaradah in Ganjam for which no particulars of cultivation could be obtained from the Collector's returns, the Ryotwar demand as settled for the year under report amounts to Rupees 6,81,003.

Statement No. 4.—6. Of the above entire Current Demand, a sum of Rupees 11,14,142 was collected within the Fusly, leaving a balance of Rupees 3,47,462 at its close. Of this

balance, a further collection of Rupees 2,35,459 was subsequently made, which left a final balance of Rupees of 1,12,003. The greater portion of this amounting to nearly Rupees 1,05,591 was due in the Estates noted in the margin; and the several balances were reported to be in the course of realization. No explanation was afforded by the Acting Collector of Madura regarding the large balance of Rupees 83,944 which stood against the Shevagungah Estate at the end of November 1857.

Dated 18th November 1858.

7. As promised in para. 15 of the Court's report on Fusly 1265, A. D. 1855-56, I am directed to notice the arrears which stood at the commencement of Fusly 1266, A. D. 1856-57. These arrears, it will be seen from the Statement No. 4 for Fusly 1265, A. D. 1855-56, amounted to Rupees 6,04,186. From this a sum of Rupees 3,155 being the balance due from the Estate of Samattoor and Cotumputty having been deducted in consequence of the transfer of those Estates to their Proprietors as stated in para. 2 of this report, there remained a sum of Rupees 6,01,031. To this a sum of Rupees 386 which was omitted in the previous year's Accounts as explained at the foot of the Statement No. 4 being added, the arrears at the beginningof the Fusly 1266, A. D. 1856-57, amounted to Rupees 6,01,417. Of this sum, Rupees 2,67,137 were in part collected and in part remitted within the Fusly; and there remained a balance at the end of the year of Rupees 3,34,280. This was however reduced by subsequent collections (as far as they can be gathered from the Collector's reports) to Rupees 3,27,029; and of this, Rupees 2,12,997-7-5, having been declared to be altogether irrecoverable, as particularized below, the Court of Wards have sanctioned the sum being written off the accounts.

Three Estates in Tinnevelly	1,142	5	9

8. It will thus be seen that out of the arrears which stood at the end of Fusly 1266, A. D. 1856-57, there was finally a balance of Rupees 1,14,032, which was reserved for subsequent investigation. This with the current balance will be disposed of when reviewing the reports of Fusly 1267, A. D. 1857-58.

Statement No. 5.—9. The financial transactions of the year reported on are contained in this Statement, from which it will be seen that, the funds in hand at the commencement of the Fusly, after deducting the sum belonging to the two Estates transferred, were Rupees 15,47,694; the receipts during the Fusly amounted to Rupese 15,23,204; the total to the credit of the Estates was thus Rupees 30,70,898. The charges as detailed in the margin, being deducted, there remained a surplus of Rupees 18,18,922, at the end of the Fusly, of which Rupees 14,14,573, were represented by Government Bonds held as follows.

Statement No. 6.—10. This statement shews the Current Demand Collections and charges, in comparison with the previous Fusly. The following is an Abstract of its contents.

	Fusly 1265.	Fusly 1266.	Increase.	Decrease.
	Rupees.	Rupees.	Rupees.	Rupees.
Demand	14,09,161	14,61,604	52,443	...

Charges	11,95,467	12,51,976	56,509	...

11. The increase in the Demand and Charges was principally in Shevagungah Estate, owing chiefly in the former case to extended cultivation and produce, and to the introduction of the Amany instead of the rental system in some villages; in the latter it was mostly in consequence of the large outlays for irrigation works, of the visit of the minor to Madras for the Exhibition of 1857, of payment of arrears of salary to the domestic Sibbundies of the late Zemindar, and of the remittance of Rupees 7,000 to the Court of Wards to be paid to the Vakeel who under their orders conducted certain law suits on behalf of the Estate.

From Court of Wards, dated 3d Feby. 1857.

12. In conclusion I am desired to notice briefly the general character of the Minor of the Estates as far as it can be gathered from the reports of the Collectors.

Ganjam.—13. The Collector reports that there has been no change for the better in the mental condition of the Kimedy Zemindar. His younger brother is stated to be making tolerable progress in English. The Badagadah minor was noticed in the last report, and no further mention need now be made of him as he was put in possession of his Estate on attaining his majority. The Jaradah minor though an intelligent and smart lad, has made but little progress in the study of the English language, having been kept by his mother at home on the score of ill-health.

Vizagapatam.—14. Of the three Estates under management in Fusly 1266, A. D. 1856-57, the Estate of Coorpaum was in August 1857, transferred to the owner under the orders of Government. The minor Zemindar of Cassimcottah and Melloopauka, who is reported to be a promising lad, resides with his grandfather, and receives instruction from private tutors in English and Teloogoo. The Chamoodoo family have removed into the town of Vizianagarum and the boys are being instructed in Teloogoo and English. The Estate was once over burdenedwith heavy debts, but the Rajah of Bobilly liberally assisted to extricate it from its embarrassment by making advances for the liquidation of debts, and undertaking the management of the Estate himself on rent.

Dated 19th in Con. 26th August 1857, *No.* 837, *R. D.*

Rajahmundry.—15. The elder of the two minors of Pittapoor made little or no progress in his studies in the year under review in consequence of ill-health. The Court of Wards have authorized his removal to Rajahmundry for the benefit of his health; and there he and his younger brother will attend the Provincial School.

Pro. to Rajahmundry 24th December 1857.

Masulipatam.—16. The Bullapurroo minor lives with his mother and has been ordered to be put to school.

Chingleput and Tanjore.—17. The Collectors of these Districts made no mention of the education of the minor proprietors of the Estates in their charge.

Madura.—18. The Shevagunga minor had much improved in conduct. The minor Proprietor of Ayacoody and Rettiembaddy was also favorably reported upon.

Tinnevelly.—19. Nothing is said of the education of the minor by the Collector.

Coimbatore.—20. Of the Estates in this District, the only one that requires notice is that of Poravepoliem, the rest having been made over to the proprietors. The Poligar of this Estate has made pretty good progress in the study of Tamil, his own language. His stay in Coimbatore for another year, the Collector reports is likely to be of great advantage to him.

No. 32. ORDER THEREON No. 539; dated 15th April 1859.

1. The present is the report by the Court of Wards on the management of nineteen estates under their charge for Fusly 1266, A. D. 1856-57.

Purla Kimedy is under management in consequence of the mental incapacity of the owner, and the remaining eighteen owing to the minority of the proprietors.

2. The current demand amounted to Rupees 14,61,604-0-0, viz;

	Rs.	A.	P.
Land Revenue.....	14,37,915	0	0
Sundry Sources.....	23,689	0	0
	14,64,604	0	0

of this amount 11,14,142 was collected within the Fusly, and subsequently a further collection of Rupees 2,35,495 was made, leaving a balance of Rupees 1,12,003 which was reported to be in the course of realization (vide para. 6 of the Board's report). It is not apparent however, to what date these Statements of arrears extend, or what amount has been collected since. The arrears outstanding in Shevagunga amounted at the latest accounts to the large sum of Rupees 83,944. The cause of this should have been explained.

3. The large arrears at the commencement of Fusly 1266, amounting, after adjustment and corrections, to Rupees 6,01,417 were reduced by collections and small remissions to Rupees 3,27,029; and of this latter amount, the Court ordered the sum of Rupees 2,12,997-7-5 to be written off, after enquiry, as irrecoverable, vide para. 7 Collector's proceedings. The remaining balance, Rupees 1,14,032, will be disposed of, the Court state, in committing the report of Fusly 1267.

4. The total credit to the estates was Rupees 30,70,898, from which after deducting the charges, the sum of Rupees 18,18,922 was left at the end of the Fusly, and of this Rupees 14,14,573 was invested in Government security, vide para. 9 of the Collector's report.

5. The Court will call on the Collector of Madura to report on the large balance of Rupees 83,944 outstanding in the Shevagunga estate.

6. The information supplied on the subject of the education of the minors is generally not satisfactory; the only exception being in Vizagapatam where the education of the minor both of Cassimcotta and Melloopauka and of Chamoodoo appears to be well cared for and with success. The Court should not fail to require all Collectors to notice this point in their reports.

7. The Governor in Council cannot close his notice of this report without remarking on the long delay which has occurred in its submission, being twenty months and a half after the close of the year to which it relates. The latest district report, it is noticed, is that of the Collector of Ganjam dated 7th January 1858, so that the Court's report has not been delayed by the absence of the necessary materials. Notwithstanding this delay however, no means were taken by the Court to procure information omitted by the Collectors.

The Government expect that future reports both by the Collectors and by the Court will be submitted with more punctuality.
