

MADRAS RECORD OFFICE.

Government of Madras.

Revenue DEPARTMENT.

G.O. No.	541	Press Mis.
Dated	19. 4.	1859.

Not to be folded or roughly handled

Fort Saint George, Revenue Consultation of 19th April 1859.

No. 34. Read the following letter from W. E. UNDERWOOD, Esq., Collector Sea Customs; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department; dated Madras, 13th April 1859, No. 173.

SIR,

1. I have the honor in reply to the Extract from the Minutes of Consultation No. 398 of 24th March 1859, to afford the information desired.

2. Precious Stones large and valuable are passed free of duty. They rarely come to India set, and if they are, they have merely a band to unite them. Small precious stones set in Rings, Brooches, &c. come under the head "Jewellery," and parties make no claim that as precious Stones the articles imported should be exempt from duty.

3. Precious stones are passed free upon the decision of the Collector such as have been passed free do not admit of a doubt that they should have been classed as precious stones.

4. It is not practicable to give any explanation of what is "jewellery."

5. Coral paid ten per cent according to schedule A. Act VI. of 1844, as an enumerated article. Cornelian beads, onyxes, &c., and agates are all classed as precious stones in Calcutta, and such classification is directed by the Board of Revenue to be the guide for this Department.

6. A Table exhibiting the official value of goods passed at a fixed value for the Madras Presidency is enclosed for the last year.

No. 35. ORDER THEREON, No. 541; dated 15th April 1859.

It will be pointed out to the Collector that the Statement submitted with this letter is not a "Table of the official value of goods passed at a fixed value," as he describes it, but a Statement of the quantities and values of such articles imported during the year 1857-58. It is now requested that Mr. Underwood will submit such a Table as he describes for the present time. It should be a list of the articles so admissible with the official valuation of each. It is an extremely simple Statement and one which must be in use in Mr. Underwood's office every day.

(Signed) J. D. BOURDILLON,
Secretary to Government.
