No. 41. Read the following Extract from the Proceedings of the Board of Revenue, dated 6th April 1859, No. 1230.

Read Extract Minutes Consultation dated 28th March 1859, No. 418, R. D., requesting the Board to report what arrangements have been made by them for supplying type for the Vizagapatam District.

(In Con. 29th March 1859, No. —.)

* 14*th Sept.* 1857.

In Cons. 17*th July* 1858.
† 17*th July* 1858.

In his letter dated 1st September 1857, the Collector of Vizagapatam applied for a Press and the usual quantity of Type, but before recommending their supply, the Board wished* to know what reductions he intended to make in his Office Establishment to meet the expenses of working the Press. Mr. Reade in his letter of 30th June 1858, proposed reductions to the extent of Rupees 100, but the Board took exception† to the inclusion among the Servants to be dispensed with of Peons not employed as Copyists and they accordingly requested him to modify this part of his plan.

2. Prior to this reference the Board in para. 13 of their Proceedings dated 14th April 1858, suggested to Government in order to obviate delay that a Press might be procured for the Vizagapatam Collectorate, and intended that Type should also be supplied by the Superintendent of the Gazette Press as had been done in other similar cases though unfortunately they omitted to say so expressly. The call made on the Collector in the Board's Proceedings dated 17th July 1858 above referred to has not yet been replied to, and he is now requested to submit at once as already directed a modified list of reductions and to state the Establishment required by him for working the Press. To avoid further delay however, the Board request that the Government will be pleased to authorize the Superintendent of the Government Gazette Press to send the usual quantity of Type at once by Sea.
