No. 7. ORDER THEREON, No. 556; dated 20th April 1859.

The Government learn from the Superintendent of the Gazette Press that Orey type cannot be procured in England at present. They therefore authorize the Collector of Ganjam to obtain a complete fount from the Reverend Mr. Lewis at Calcutta.

IN COM. 10TH MARCH 1859, No. 971.

From G. S. FORBES, Esq., Collector of GANJAM.

dated Chutterpoor 1st March 1859, No. 29.

With reference to the Extract from the Minutes of Consultation dated the 20th December last, No. 1678, authorising the purchase of a supply of Orey type, I have the honor to enclose copy of a letter received from Reverend Mr. Lewis of Calcutta. It was from the establishment of which this Gentleman is the head that I hoped to obtain Orey type and as it would probably take sometime to have it cast, I should be glad to know when the Board expect the Orey type from England.

ENC. 1.

From Rev. C. B. LEWIS,
To the Collector of GANJAM,
dated Calcutta 31st January 1859.

In reply to your favor No. 23, of the 22nd instant, I beg to inform you that I have no supply of Orey type ready cast. All the punches and matrices of a fount of "English" body are in my possession and if you so direct me I will instruct our casters to prepare a fount of 300lb. weight with all possible speed. Our price for the type is 14 annas per lb. Of Brass Rule, composing sticks, chases, and English types of many varieties both ornamental and for book printing we have a considerable stock. I am also expecting some consignments of Imperial Presses to arrive very shortly.
