2053/59

Official Memorandum.

As requested in an Official Memorandum dated 4th Instant No 305, from the Secretary to Government Revenue Department, the Mint Master has the honor to forward herewith a Bill of the Cost of the Press and Seals made up at the Mint for the use of the Indian Commissioners' Office together with four impressions from them, but regrets that as all the Seals were made together, and with other work on hand, it is not possible to assign a proportion of the total cost to each, and it is doubtful whether others can be made at the same prices.

Fort St George,
Mint,
7th November 1859.
