Tabular Report of a lapsed Roosoom in the District of Salem.

Case Number.	1	2	3	4	5	6	7	8	9	10
	Talook and Village, extent and value of the entire Roosoom	When and by whom granted, name of the original grantee, Summs or other documents in support of the grant.	Nature of the grant charity or service. If service, nature of the duty prescribed by the grant.	Name of the last holder, date of his decease and the relation in which he stood to the grantee.	Share enjoyed by the deceased and that held by the other members.	Family left by the deceased, and name and age of the parties, their circumstances, and the means of subsistence possessed by them.	Recommendation of the Collector and the grounds on which it is made.	Recommendation of the Board of Revenue.	Decision of Government.	
2	A portion of Roosoom amounting to Rs. 32-2-2 per annum.	Originally granted by the Nabob of Cuddapah. No Summand is forthcoming, in support of it. On the assumption of the country by the British, Col. Read fixed an annual allowance of Rs. 149 As. 15 P 6 Dasum Boochee Chetty was the original Enamdar.	For performing service as Head of the Sun-caste.	Naranamal, daughter in-law of the original grantee, was the last holder. She died 13th January 1859.	The deceased enjoyed the entire allowance entered in column 2.	The deceased left two daughters with their husbands. 1. Vencatamal aged 25. 2. Auchamal aged 20. 3. Chengana Chetty aged 40 4. Mooneyapah aged 30. It is said that they depend on this allowance.	This Roosoom (Ready money allowance), originally granted by the Nabob of Cuddapah, to Dasum Boochee Chetty, for performing service as the head of caste, was by Colonel Read fixed at Rs. 149-15-6. 2. This allowance, which on the grantee's death had been subdivided amongst his descendants, was, on their demise, resumed; with the exception of a grant of Rs. 32-2-2, which, in Extract Minutes of Consultation dated 10th May 1842, was continued to Naranamal, a member of the family. 3. She died on the 13th January last, leaving two daughters and their husbands. 4. The Board, in their Proceedings 17th February 1842, ruled "that on her death the circumstances of her daughters were to be reported for the consideration of Government." 5. From the report of the Tahsildar it appears, that they have no other means of livelihood, and that one of the sons-in-law settles the caste disputes. 6. As the service for which the allowance was originally given is one no longer required by Government; as the other portion of the allowance has been resumed, having been treated as a life grant; and as the daughters have husbands able to earn their livelihood, 1 would recommend the resumption of this remainder.
