Fort Saint George, Revenue Consultation of 29th April 1859.

No. 45. Read the following letter from Surgeon A. N. MAGRATH, Director General, Medical Department; to the Secretary to Government Military Department Fort St. George; dated 12th April 1859, No. 66.

SIR,

In acknowledging receipt of Extract Minutes Consultation No. 395, Revenue Department, dated 24th ultimo, I have the honor to report for the information of Government, that the correspondence as per margin (forwarded with the above) does *From the Collector of Cuddapah.* not establish 2nd Dresser Sashachellum's statement, that he merely gave up temporary promotion, in retaining his appointment in the Collector's Department at Cuddapah.

2. The letter No. 2287 of the 17th November 1858 from the Adjutant General of the Army, shows very clearly that the Dresser was allowed to remain at Cuddapah on the understanding, that he should forego "future promotion."

No. 46. ORDER THEREON, No. 575; dated 27th April 1859.

1. Sashachellum, 2nd Dresser attached to the Collector's establishment in Cuddapah; was appointed to do duty as 1st Dresser in Bengal, but was permitted at the request of numerous inhabitants of Cuddapah, and on the recommendation of the Collector to remain in the District on the condition that he was to forego "future promotion," vide Adjutant General's letter, No. 1447, 24th November 1857.

2. Sashachellum now complains that several of his juniors have been promoted over his head; that he is afraid his being thus passed over is in consequence of his not having taken up his Acting Appointment in Bengal, and he alleges that when he agreed to remain in the Cuddapah District he was under the idea that he was to forego the "temporary" promotion in Bengal, and not all "future" advancement in the service. The Director General Medical Department however points out that the condition above stated was clearly set before Sashachellum; and that it was with full knowledge of it that he remained at Cuddapah instead of going on field service.

3. Government agree in the opinion arrived at by the Director General Medical Department and see no reason to interfere in the matter.

Acting Deputy Secretary to Government.
