He represents that the Tiroopany fund in deposit, in the Treasury, on behalf of the above Temple from Fusly 1263 to 1266, both years inclusive, amounts to Rupees 6600, and solicits disbursement of the same to enable him to execute certain repairs to the Pagoda, which are urgently needed

3. On the 28th ultimo, this Trustee presented another Petition to me, stating, that as there is a scarcity of water in the above Village it is very necessary that a Teppacolum Tank should also be excavated in it for general utility, out of the amount claimed.

4. The Village contributions that are made under the denomination of "Pour Pitchay" on account of the Pagoda in question, were hitherto collected by Government and held in deposit in behalf of the Pagoda. Deducting therefrom the sums expended from time to time by order of Government, on Native education and Cotton Roads, as specified in the margin, there remains a balance of Rupees 7,683-5-0 in deposit in the Huzzoor Treasury, which the Trustee claims for the purpose mentioned in his Petitions.
