Revenue Department

Sir,

With reference to my letter of yesterday No 117 I have now the honor to submit another sketch Map just received from Trichinopoly in which the Taluq of Manaparai is exhibited as well as the changes proposed by the Collector as I marked on the map sent yesterday the changes proposed by myself. I have not done so in this map. You will not fail to observe that the Area of Manaparai is stated as 179 Miles only. I shall call upon Mr Reid for an explanation, for it is evident that the Area of that Taluq as shown on the Map is very much greater.

*See Areas in Margin of the Sketch map.
