Fort Saint George, Revenue Consultation of 29th April 1859.

No. 64. Read the following Extract from the Proceedings of the Board of Revenue, dated 6th April 1859, No. 1231.

Read again letters from the Collector of Madura, dated 28th September and 8th December 1858, and 17th January 1859, Nos. 216, 266 and 7.

(In Con. 12th October, 27th December 1858, and 22d January 1859.)

Read also letter from the same officer, dated 19th February 1859.

(In Con. 23d February 1859, No. 17.)

Resolved that the foregoing letters and the enclosures of the two first be submitted for the information and orders of the Honorable the Governor in Council.

<i>Actual Charges Fusly 1267.....</i>	5,585 6 1	
<i>Excess Rupees.....</i>	1,813 14 1	

2. It will be seen from the Statement furnished by the Collector that the total Actual charges incurred on account of Revenue Saderward in the Madura district in Fusly 1267, amounted to Rs. 5,585-6-1, and exceeded the standard Estimate sanctioned by Government on 17th April 1851, by Rupees 1,813-14-1. Deducting however from this sum the charge of Rupees 627-10-11 for Goa paper supplied by the Superintendent of Stationery, but not paid

for from the Collector's Treasury the net excess above the standard Estimate amounted to Rupees 1,186-3-2.

3. This increase the Collector explains was caused by the disbursement of Rupees 1,784-12-4, for the purchase of Goa paper supplied to the Curnums for the preparation of the new forms of the Village accounts, which charge has been nearly met by a saving of Rupees 1,485-11-3, effected in the ordinary Jamabundy Saderward of the district.

4. Under these circumstances the Board of Revenue recommend that sanction be granted for the excess charges incurred in Fusly 1267, on account of the Revenue Saderward of the Madura district, amounting to Rupees 1,186-3-2.

From J. CLARKE, Esq., Collector of MADURA,
dated, Madura 8th December 1858. No. 266.

With reference to the Board's Proceedings dated the 12th October last, I have the honor to forward a statement shewing the actual charges of Revenue Saderward incurred in Fusly 1267, from which it will be seen that the excess above the Standard Estimate inclusive of a nominal charge for Goa paper (not paid for in the Collector's Treasury) supplied by the Superintendent of Stamps, amounts only to Rupees 29-1-9; to which the value of paper furnished to the Curnoms an item not provided for in the Standard Estimate, being added the total excess amounts to Rupees 1,813-14-1, I have deducted from this the value of Goa paper not paid for as above stated, leaving the balance to be sanctioned on account of Revenue Saderward at Rupees 1,186-3-2.
