ture sanctioned by Government for that purpose by Rupees 280-14-8. This increase the Collector explains was caused by

- I. The purchase of Oil for the lamp kept at the Tranquebar Fort Gate ;
- II. The Saderwarded of the Postage label Department ;
- III. The Saderwarded for the Settlement of the Puttoocottah Talook for Fuslies 1265 and 1266, which was not included in the charges of the Fuslies to which it appertains owing to the non-receipt of the accounts in proper time ; and.
- IV. The purchase of an additional quantity of paper for printing the several new forms of Salt accounts, and for translations of orders and notices, &c., regarding the rebellion in the North West Provinces.

2. The unusually high price paid for Lamp Oil in Fusly 1267 as compared with that of previous years also occasioned an increase in the Saderwarded. The first and second items ought not properly to be debited, as the Collector remarks, to the fixed Saderwarded, and should be hereafter included in the monthly contingent Bills.

3. Under the foregoing explanations the Board of Revenue recommend that sanction be granted for the excess Saderwarded charges incurred in Fusly 1267 in the Tanjore District, amounting to Rupees 280-14-8, to enable the Civil Auditor to pass the sum in question.

Ordered that a copy of these Proceedings be submitted for the orders of the Honorable he Governor in Council.

No. 1211.

EXTRACT from the PROCEEDINGS of the BOARD of REVENUE, dated 6th April 1859.
Read again letter from the Collector of Tanjore, dated 2nd November 1858, No. —.
(In Con. 28th December 1858, No. 240.)

Read also letter from the same Officer, dated 10th March 1859, No. —.
(In Con. 12th March 1859, No. 46.)

In the first of the above communications the Collector reports that the total actual charges incurred on account of the Huzzoor and Talook Revenue and Magisterial Saderward of his District in Fusly 1267, amounted to Rupees 9,089-1-11, and exceeded the expenditure sanctioned by Government for that purpose by Rupees 280-14-8. This increase the Collector explains was caused by

- I. The purchase of Oil for the lamp kept at the Tranquebar Fort Gate;
 - II. The Saderward of the Postage label Department;
 - III. The Saderward for the Settlement of the Puttoocottah Talook for Fuslies 1265 and 1266, which was not included in the charges of the Fuslies to which it appertains owing to the non-receipt of the accounts in proper time; and
 - IV. The purchase of an additional quantity of paper for printing the several new forms of Salt accounts, and for translations of orders and notices, &c. regarding the rebellion in the North West Provinces.
2. The unusually high price paid for Lamp Oil in Fusly 1267 as compared with that of previous years also occasioned an increase in the Saderward. The first and second items ought not properly to be debited, as the Collector remarks, to the fixed Saderward, and should be hereafter included in the monthly contingent Bills.
3. Under the foregoing explanations the Board of Revenue recommend that sanction be granted for the excess Saderward charges incurred in Fusly 1267 in the Tanjore District, amounting to Rupees 280-14-8, to enable the Civil Auditor to pass the sum in question.
- Ordered that a copy of these Proceedings be submitted for the orders of the Honorable the Governor in Council.
