Fort Saint George, Revenue Consultation of 29th April 1859.

No. 70. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department Fort Saint George; dated Madras, 6th April 1859, No. 318.

SIR,

Dated 30th March 1859.

I have the honor to forward the accompanying letter from the Superintendent Revenue Survey, requesting sanction for an amended distribution of duties and salaries in the Lithographic Department as therein described.

2. Until some experience is gained in the first few years, it is impossible to determine the best constitution of the Establishments of both the Survey and Settlement Departments, and as discretion is not allowed to the Heads of them to make a single alteration without the previous sanction of Government, the only alternative is for me to submit these changes, as they are found to be necessary.

From Captain F. J. B. PRIESTLEY, Superintendent Revenue Survey; to H. NEWILL, Esq., Director Revenue Settlement; dated Camp Goodiwadah, 30th March 1859, No. $\frac{519}{67}$.

SIR,

I beg to forward for submission to Government an amended distribution of duties and salaries in the Lithographic Establishment.

2. My experience as yet has been small and I cannot therefore take upon myself to say that this arrangement will be final.

3. The orders of the Supreme Government however are so precise regarding the necessity of obtaining sanction to any change whatsoever that I have no alternative.

4. This I regret the more as it is more than probable I may have ere long to make a similar application regarding my own office Establishment when I proceed to organize it which I hope to do very shortly.
