Official Memorandum

With reference to the Official Memo. dated 7th December 1859 from the Secretary to Government in the Revenue Department, the Secretary to the Board of Revenue has the honour to state that the inference from the Collector's letter appeared to be that the additional peons were employed for only broken periods in the month of June and discharged so soon as the particular service for which they were required had been performed. The Collector has however been now requested to furnish distinct information on this point.
