With reference to Mr. Jordan's appointment to be Deputy Collector and Magistrate of this district, I have the honor to request that you will be good enough to inform me, what is to be understood by the term and "to have charge of the Treasury;" whether, that is to say, he is to have exclusive possession of the Treasury keys, to attend to the opening, closing, alingse, and unsealing, of the cash chests, to countersign all papers connected with the Treasury transactions, orders of payment, &c., and in fact, to succeed in all respects, at once, to the combined duties presently performed by a Covenanted Civil Servant, and the Head Sheristadar; or, whether it is intended that he should simply succeed the latter in *his* functions, *i. e.* countersign Treasury orders issued by the Head of the office, examine and be responsible for correctness of all monetary accounts, and attend, generally, to such other duties connected with the Treasury as are now performed by the Head Sheristadar.

No. 26. ORDER THEREON, 3d May 1859, No. 603.

Referred to the Board of Revenue for disposal, with reference to Extract Minutes Consultation dated 30th Ultimo, No. 595.
