*Proceedings of the Madras Government, Revenue Department,
from 4th to 10th May 1859.*

No. 1. Read the following letter from A. N. MAGRATH, Director General Medical Department; to the Secretary to Government Revenue Department Fort Saint George; dated 21st April 1859, No. 75.

Adverting to Extract Minutes of Consultation No. 528 of the 14th instant, I have the honor to state for the information of Government, that I cannot in the present short handed state of the subordinate Medical Department, provide Medical aid for the Survey and Settlement parties already constituted, without an increase to the subordinate Medical Establishment.

2. I would suggest that Government may be pleased to sanction an increase to the Dresser grade of Medical subordinates, so that a 2nd Dresser might be ultimately available for each survey party.

3. A 2nd Dresser will be required for each survey party already organized or about to be established. If I am favored with the probable number of Survey parties to be established, the usual application for an increase to the Establishment shall be made.

4. In the mean time, if the services of pensioned subordinates can be obtained. I will endeavour to secure them temporarily for the Settlement and Survey parties as per margin an advertisement in the Fort Saint George Gazette calling upon pensioned Dressers, to offer themselves for these duties, shall be immediately inserted.

No. 2. ORDER THEREON, 4th May 1859, No. 612.

The Honorable the Governor in Council authorizes the Director General of the Medical Department to increase the Establishment of 2nd Dressers by six in order to admit of medical aid being afforded to the Survey and Settlement parties already organized. The extra charge to be incurred on account of these Dressers will be debited to the aggregate sum sanctioned for the general Survey.
