Revenue Consultation.

No. 626

Dated 4th to 10th May 1859

No. 26. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George; dated 14th April 1859, No. 595.

With reference to para. 3 of Extract Minutes of Consultation, dated 18th ultimo, No. 357, Revenue Department, I have the honor to state that, under present circumstances, as mentioned in the 3rd para. of my letter to Government noted in the margin, it is not yet in my power to define any particular period for which the Establishment will be required at Salem.

7th October 1858, *No.* 452.

2. Government were pleased, under the explanation submitted in the 4th para. of the above mentioned letter, to sanction the permanent employment of Mr. Blenkinsop as Assistant Conservator in these Forests, and as this officer will require an Establishment, I would respectfully suggest that the present Overseer, Mr. H. H. Yarde formerly second clerk in this office, who was emergently detailed for this duty, and who will lose the benefit attending his previous employment in the service of Government, should he longer continue on a temporary establishment, be enrolled on the permanent list.

3. I would also submit that 4 Peons be permanently attached to the Assistant Conservator, and the others remain as at present "temporary." It is difficult to predicate how long the demands of the Railway may continue as great as they now are, but there will always be sufficient work for one Overseer and 4 peons.

No. 27. ORDER THEREON, 6th May 1859, No. 626.

Under the circumstances, and for the reasons, stated in para. 2 of this letter the Government grant sanction as requested, for entertaining as the permanent establishment of the Assistant Conservator of Forests in the Salem District, Overseer Yarde and four of the peons now temporarily employed there.

(Signed) J. D. BOURDILLON,
Secretary to Government.
