PUBLIC DEPARTMENT.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from E. C. SMITH, Esq., Post Master; to the Secretary to Government, Military Department, Fort Saint George, dated 29th April 1859, No. 2587.

I have the honor to bring to your notice, that your department frequently transmits to this office, letters addressed to Officers Commanding Government Vessels and transports in the Madras Roads, which the Post Office, finding no other means for their delivery, sends to its Boat Agents; but the Contractors demur receiving such covers, under the reason, and which is the fact, that they are engaged *only to land and ship Mails*, and not to deliver letters for Officers in charge of ships lying in the harbour. I have therefore to request the favor of your making your own arrangements for the disposal of such covers, either, through the Master Attendants, or the Superintendent of Marine, as the existing Postal Rules make no provisions for the receipt and delivery of "Harbour letters."

Referred to the Public Department.

FORT SAINT GEORGE, }

Acting Secretary to Government.
