No. 4. ORDER THEREON, 11th May 1859, No. 649.

In accordance with the strong recommendation of the Acting Sub-Collector in charges concurred in by the Collector, the Governor in Council is pleased to appoint Coopa Row Deputy Collector 3d Class, to Coimbatore instead of to Madura.

(Signed) J. D. BOURDILLON,
Secretary to Government.

IN CON. 12TH APRIL 1859, No. 1629.

From M. J. WALHOUSE, Esq., Sub Collector in charge COIMBATORE,
dated Coimbatore, 8th April 1859, No. 48.

With reference to para 5 of Extract from Minutes of Consultation of the 25th ultimo, No. 405, communicated in the Board's Circular of the 29th idem, No. 1081, I have the honor to state for the information of the Board that the departure at this moment from this district of Coopa Row, the Head Sheristadar, who is now appointed Deputy Collector and Magistrate of Madura, would be attended with very great public inconvenience. He is now engaged on Jamabundy. The settlement of three important Talooks is coming on, and Coopa Row's experience and intimate knowledge of them is absolutely necessary for their satisfactory completion. There is at this moment no native officer in the district who could at all supply his place. I would therefore earnestly request that Coopa Row may be allowed to remain here until the 15th of August next, by which time the Jamabundy of the whole of the Talooks will have been completed, and the accounts be ready for transmission to the Board.

2. I take this opportunity of representing to the Board that the removal of Coopa Row from this district would be a serious public loss. His knowledge of this district and its records is so singularly universal and complete, both generally and locally—his acquaintance with the people and system of administration so full and accurate, that his remaining in Coimbatore would be of incomparably more use and value to the people, the Executive, and Government, than his transfer elsewhere could possibly be. On his promotion to Guntoor the want of him was so deeply felt by Mr. Thomas, who I am confident will view his removal with the greatest concern, as to lead to the correspondence noted in the

margin, which will be fresh in the recollection of the Board, and renders it unnecessary for me to enter into further particulars. I cannot however conclude without emphatically stating how greatly

I should regret to see an officer removed from a district in which he has such eminent special qualifications of rendering good service, as can scarcely ever meet in another, and of whom, after 15 years personal knowledge, I can affirm, that none could be his equal for the important Office of Deputy Collector and Magistrate in this district, in which he is universally trusted and respected. I therefore respectfully urge that the Board would be pleased to interest themselves in obtaining Coopa Row's appointment as Deputy Collector and Magistrate changed from Madura to Coimbatore.
