Ordered to be communicated to the Board of Revenue, with reference to their Proceedings dated 4th February 1859, No. 418. Under the opinion of the Commander-in-Chief the Board will be good enough to report in communication with the Collector what amount it is necessary to retain in the Treasuries at Paulghaut and Tellicherry, respectively; whether either both will be safe under Police protection; and if not, what arrangements they propose making for their efficient protection.

MILITARY DEPARTMENT.

No. 1078.

Extract from the Minutes of Consultation, 17th March 1859.

Read letter from the Quarter Master General of the Army, Fort Saint George, 14*th March* 1859, *No.* 117*; to the Secretary to Government, Military Department.*

With reference to Extract Minutes of Consultation of 3rd instant, No. 856, the Commander-in-Chief desires me to say, that in regard to large Treasuries, he has repeatedly stated his fixed opinion, that they should ever be placed at principal stations, where there are European Troops. His Excellency observes, that placing a Treasury, unless so insignificant, that it would be safe under Police protection, at Paulghaut or Tellicherry, at neither of which places are there Europeans, is most objectionable.

Communicated to the Revenue Department, with reference to Minutes Consultation No. 230, dated 21st February 1859, in that Department.
