*Proceedings of the Madras Government, Revenue Department,
from 18th to 27th May 1859.*

No. 29. Read the following letters.

From J. D. SIM, Esq., Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq.,
Secretary to Government; Revenue Department, dated 21st April 1859, No. 1444.

I am directed by the Board of Revenue to submit, for the information of Government, a report on the management of the Lungarkhanahs in the District of Coimbatore, Nellore, Kurnool, Tanjore and North Arcot during the official year 1856-57. The Board regret that the report has been delayed for a long time, in consequence of the Collector of North Arcot having, from a misapprehension, failed to submit his returns till lately, as already noticed in the Board's Proceedings, dated 3rd February 1859, No. 409.

Coimbatore.—2. The expenditure during the year under report amounts to Rupees 695-9-5 shewing a decrease of Rupees 774-3-4 below the expenditure of the preceding official year and Rupees 498-5-0 below the sanctioned amount. The amount of saving would have been still higher had it not been for the high prices of grain consequent on the unfavorableness of the season.

3. The surplus sum on hand at the close of April 1857 from the annual Collections of the village allotted for the expenses of the institution was Rupees 1,290-5-2. The number of recipients was fixed at 30 per day in order to restrict the expenditure within the sanctioned amount, and this limit was adhered to in 1856-57; but in consequence of the continued adverse state of the season, the Collector proposed temporarily to increase the number of recipients from 30 to 40 per diem taking care at the same time that the disbursements should not exceed the sanctioned amount, viz. Rupees 1,193-14-5; and to this arrangement the Board gave their consent.

4. A few of the persons admitted were allowed to reside in the building but only when the indulgence was considered absolutely necessary. The aggregate number fed during the past year was 10,910.

Nellore.—5. The management of the Lungarkhanahs in Nellore, as the Government are already aware, is vested in a Committee. The number of persons relieved during the year was 66,547, at an average cost of eight Pice and a fraction per head. The total cost inclusive of establishment and sadarward amounted to Rupees 2,809-1-6 being Rupees 102-8-5 less than the expenses of the year preceding, and Rupees 130-14-6 below the sanctioned amount.

Kurnool.—6. In the return from Kurnool the number relieved each day is given as 32 for the whole month, instead of the aggregates of the daily relief. The correct number relieved in the year is therefore 11,680 at an aggregate cost of Rupees 360 the full sanctioned amount which gives an average of six Pice per head. The defective character of the statement has been pointed out to the Collector.

Tanjore.—7. In Tanjore there are two Lungarkhanahs one at Combaconum and the other at Negapatam. The number of persons relieved in the former was 6,600. In the return from the latter place the daily relief is given for each month instead of the aggregate and the actual number of recipients is therefore taken as 10,481. The aggregate number is 17,081 for both institutions and their total expenditure during 1856-57 was Rupees 1,077-12-7, leaving a surplus of Rupees 122-3-5.

North Arcot.—8. As in Tanjore there are two Lungarkhanahs in North Arcot, the one at Vellore and the other at Arcot. The number of persons to whom relief was afforded during

the year under report amounted to 1,22,890 in the first, and 44,505 in the second, at an annual cost of Rupees 4,256-0-2 and 1,505-3-4, respectively. The cost of the Vellore Lungarkhanah was less than the sanctioned amount* by Rupees 3,075,14-10, and the saving, after defraying the expenses of the Arcot Lungarkhanah was Rupees 804-12-8 out of Rupees 2-310, the amount set apart for its expenses.

* Rupees 7,331-15-10.

9. From the surplus funds of these institutions two Dispensaries at each of those stations are maintained. The cost of the Vellore Dispensary during the official year 1856-57, was Rupees 2,178-10-4, and that of the other at Wallajahpet, Rupees 2,738-10-6 or altogether Rupees 4,917-4-10 for the two. This amount is in excess of the saving effected from the sanctioned amount of the Lungarkhanahs by Rupees 1,036-9-4, and was met from the old accumulated savings as the whole of these have been absorbed, and as from the report furnished up to the end of 1858 it appears that the charges have exceeded the sanctioned amount every year, the Board in their Proceedings dated 13th April 1859 have recommended the abolition of the Dispensary at Vellore.

10. The following statement will shew the extent of relief afforded in the Lungarkhanahs in each District, the expenditure incurred and the savings effected out of the sanctioned amount.

4. The increase in expenditure is owing to the high price of provisions.

No. 31. ORDER THEREON, 23d May 1859, No. 697.

1. The Board forward two reports on the management of the Lungerkhanahs in the Districts marginally* named for the years 1856-57 and 1857-58, from which it appears that the total amount sanctioned for the use of the Lungerkhanahs is Rupees 15,335-13-5, of which the sum of Rupees 11,422-1-4 has been spent in 1857-58, thus showing a saving of Rupees 3,913-12-1.

2. The expenditure in 1857-58, as compared with that of the preceding year, shows an excess to the amount of Rupees 718-6-4 caused by the high price of grain.

3. The total number of persons relieved was 2,49,913 in 1857-58, or 23,700 less than in the previous year, but the average cost per head varies considerably in different Districts, thus in Coimbatore it is reckoned at Anna 1-2½, whilst in Arcot and Vellore it is only 8 pice.

4. The Board explain that the long delay in the submission of their report for 1856-57 has been caused by a misapprehension on the part of the Collector of North Arcot who failed to submit his report till lately. The Governor in Council hopes that future reports will be submitted more punctually.

IN CON. 23RD FEBRUARY 1859, No. 705.
From C. WHITTINGHAM, Esq., Collector of NORTH ARCOT,
dated Chittoor, 21st February 1859, No. 46.

I have the honor with reference to para 2 of Extract Proceedings Board of Revenue dated 3rd February 1859 No. 409 to express my great regret that a misapprehension on my part should have led to the non-submission of the Annual Lunkerhanah Reports for the Official years 1856-57 and 1857-58.

2. The special report on those institutions, submitted by me in December last, included the entire Official year 1856-57, and 8 months of the year 1857-58, and I was therefore under the impression that the annual reports for those periods were not required; but as it appeared to me to be necessary that the Government should be aware of the financial position of those institutions on the 31st December 1858, I directed the preparation of a report up to that date, which is nearly completed, and will be submitted without fail within a week.

3. I beg to state that I was confirmed in the opinion I had formed, that the annual reports were no longer needed, from the fact, that although I received repeated reminders regarding the submission of the special report, I did not receive a single reminder with reference to the submission of the annual reports for 1856-57 and 1857-58.

4. Those reports are now herewith submitted in the prescribed form.
