Order No 727 dated 30th May 1859

No. 15. Read the following Extract from the Proceedings of the Board of Revenue, dated 16th May 1859, No. 1786.

Read again letters from the Collector of Madras, dated 18th August, No. 136, and 29th October 1858, No. 180.

(In Con. 11th September 1858, No. 3746.)
(,, 28th December ,, ,, 4898.)

Read also Statement of the Actual charges on account of Saderwared in the Madras District, for Fusly 1267, dated 18th March 1859.

(In Con. 19th March 1859, No. 1136.)

Resolved that the foregoing letters and Statement be submitted for the orders of the Honorable the Governor in Council.

2. It will be seen from the Statement furnished by the Collector that the total actual charges incurred on account of Saderwared in the District of Madras in Fusly 1267, amounted to Rupees 583-14-7, and exceeded the standard Estimate sanctioned by Government for that purpose by Rupees 359-8-3. The excess, the Collector explains, was caused by the purchase of Lamp Oil, and blue French Foolscap, the former article having been formerly supplied by the Commissariat Department, and the latter not having been included in the sanctioned standard Estimate. Under this explanation the Board of Revenue recommend that sanction be granted for the actual excess Saderwared expenditure incurred in Fusly 1267 in the Madras District, amounting to Rupees 359-8-3.

3. The Board observe that the Saderwared allowance (Rupees 6-15-0) sanctioned for the Superintendent of Cochrane's Canal has not been included in the Collector's Statement under notice, but the omission has been rectified in this office.

4. The Collector's revised Estimate for Saderwared will be submitted with the General Estimate in course of preparation in the Board's office.
