Dated 25 — 5 — 1859.

In Con. 28th March 1859, No. 1310.

From W. M. CADELL, Esq., Collector of TANJORE,

dated Vullum 25th March 1859, No. 61.

1. Referring to the Endorsement of Government on Petition No. 2968 of 1858, and which is herewith returned, I have the honor to report that the Inam lands in question are situated in 4 villages, of which the particulars are given in the following statement.

Village.	Tenure.	Extent by Grant.			Extent by Survey.			Taruff Teerva.			Shrotriem Jody.			Difference.

2. The Survamanniem lands in the first 3 Villages are comprised in a grant made by the late Tolaja Rajah of Tanjore, dated 1771, which, however, was not registered in the Collector's office. They are still in the possession of the family of the original grantee's daughter.

3. The shrotriem land in the last mentioned village is a grant by the same Rajah, dated 1776. It was registered in the Collector's office in 1810, and seems to have been in the family of the original grantee in July 1802. It was acquired by Petitioner's father by purchase about 15 years ago.

4. The Survamanniem and shrotriem lands are exempt from interference on the part of Government under the Board's Circulars dated respectively 9th February 1854 Page 2, and 11th August 1853, page 161, and the party against whom Petitioner wishes to bring a suit, and who is now in possession of the lands, is the widow of one of his own brothers, named Subbau Chary.

5. Under these circumstances, I see no objection to Petitioner's prayer being complied with.
