I am directed
to inform you that the
Honorable the Governor

Ganjam.

You have been
selected for this duty
because the Government
believe you to possess
the ability, the energy
and the uprightness
necessary to a right
discharge of it, and

the particular proposal
of the Government to
abolish the distance from the
Council differs from the plan
which has been so often suggested
of a monopoly of the salt
trade. I do not see how
the Government can do so
without the salt trade
being a monopoly. I do not
see how the Government can
do so without the salt trade
being a monopoly.

I am to add that a
zealous and successful
performance of it will
be regarded as a spe-
cial claim to pro-
motion. It will be
your duty not only to
endeavour by active
personal supervision
to ensure honesty in
the sales and in account-
ing for the proceeds;
but also bring forward
all measures of any kind
which you may consider
will be calculated to
augment the sales.

The Collector will be
instructed to give you
all the assistance in
his power for the due
performance of your
duty, and to treat you

well calculated for
the establishment of
a depot as that
afforded by the Godavary
Propose we should take
immediate steps for
the establishment of one
at Bandrichalam
or Mahadevapur.
For this the consent of
the Nizam's Govt
must be obtained &
delegations should be
immediately opened
with the Resident for
the purpose.

If this does not
succeed we should revert to the
scheme of changing the Village
on the left bank for Chappor
now belongs to the Nizam
as to getting the Command
of that bank

You will perform
your duty under the
cover of the District
who

with full confidence
The Government de-
sire that three months
after assuming charge
of your new duties you
will submit through
the Collector of your
a full report of
your proceedings, with
any recommendation
that you may have to make
