*Proceedings of the Madras Government, Revenue Department,
from 2d to 8th July 1859.*

No. 64. Read the following letter from G. L. PRENDERGAST, Esq., Accountant General ;
to the Secretary to Government in the R. D., dated 22d June 1859, No. 70.

I have the honor to acknowledge the receipt of the order of Government of the 21st Instant, No. 821, calling upon me to report why a demand to furnish security was required from Mr. Whittingham. In reply, I beg to state, that no demand of security was made by me. The usual acquittance from all liability for advances made by Mr. Whittingham, having been furnished to me on the 20th Instant, no necessity existed, so far as this office is concerned to require security from him. He however stated personally in this office that the Chief Secretary told him to obtain from me a certificate of "no demands," and the conclusion here was, that this intimation had reference to the order of Government of India of the 14th July last, which prescribed that officers similarly situated should be granted a certificate (or rather report) that no security was requisite. Mr. Whittingham was accordingly informed of this fact that one would be granted on the receipt of a reply to a memo. I then sent to the Civil Auditor enquiring the state of Mr. C. Whittingham's accounts in his books, agreeably to the subsequent orders of the Government of India dated 31st December 1858, No. 8008, Financial Department. To this reference dated 20th Instant, the Civil Auditor has made no reply.

2. Mr. Whittingham was told by me in course of the conversation that if the Civil Auditor did not send a reply instant and he wished to have a certificate, all difficulty* would be overcome at once on his offering security, and he may have taken this as a demand, though it was not so intended. No

demand of security was made here in the instances of Messrs. Murray, Wood, and Brett adverted to in the order of Government under reply. No published arrangement has been yet made to give effect to the orders of the Government of India of the 14th July and 31st December last, and I have it in contemplation to bring the matter under the notice of Government very shortly.

No. 65. ORDER THEREON, 8th July 1859, No. 906.

Ordered that the foregoing letter be recorded.

Secretary to Government.
