*Proceedings of the Madras Government, Revenue Department,
from 9th to 15th July 1859.*

No. 1. Read the following letter from G. N. TAYLOR, Esq., Inam Commissioner; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department; dated Madras, 4th July 1859, No. 61.

With reference to the order of Government dated 17th June 1859, No. 804, appointing the Uncovenanted Agency to be placed at the disposal of the Inam Department, I have the honor to state that my Special Assistant C. Runga Charloo was summoned to Madras in anticipation of his appointment under the instructions of His Excellency the Governor, and he joined my office on the 27th May last. I request therefore the sanction of Government for his appointment reckoning from the above date.

In my letter of the 26th May last proposing the pay and allowances of the Deputy Collectors to be placed at my disposal which has received the approval of Government I recommended a permanent travelling allowance of 50 Rupees per mensem, under a misapprehension that that was the rate of tentage allowed to Deputy Collectors of the 3d and 4th class. As I have since found that these officers draw at the rate of 2 Rupees a day when away from their Head Quarter station I solicit that the authority of Government may be granted for raising the present allowances of those employed in my department from 50 to 60 Rupees a month. I make the request in consideration of the expense they will necessarily incur in being constantly on the move.

No. 2. ORDER THEREON, 9th July 1859, No. 910.

Agreeably to the recommendation of the Inam Commissioner, the appointment of C. Runga Charloo to be his Special Assistant will reckon from the 27th May 1859, the date on which he actually joined the Commissioner's office.

2. The travelling allowance of the Deputy Collectors placed at the disposal of the Inam Commissioner will be two Rupees a day to be drawn permanently during their absence from their own districts.

(Signed) J. D. BOURDILLON,
Secretary to Government.
