Proceedings of the Madras Government Revenue Department, from 9th to 15th July 1859.

No. 9. Read the following letter from W. HUDLESTON, Esq., Sub-Secretary to the Board of Revenue ; to J. D. BOURDILLON, Esq., Secretary to Government, R. D. ; dated Fort Saint George, 30th June 1859, No. 2502.

In Cons. 14th June 1859, No. 2778.

In reply to the Proceedings of Government, dated 13th instant, R. D., No. 781, on the reference made by the Board on the subject of the existing prohibition in Malabar against the exportation of small-sized Teak, I am directed by the Board to state that they have no wish to press the matter further on the consideration of Government, and that they propose to direct the Collector to remove all existing restrictions beyond such as are sanctioned by Law, but to do so in communication with the Forest Conservancy Department, and after intimation to all concerned, that opportunity may not be offered, together with the temptation, to fell Teak saplings without the authority of the owners.

2. The Board fully recognise the objections raised by Government to the further continuance of the existing system, which had occurred to them also and been duly weighed before they brought the matter forward, and had the question been that of imposing a new restriction instead of the relaxation of one which has been in force for the last sixteen years they would have hesitated to recommend as an experimental measure a system which interfered with the rights of private property.

3. They trust its abandonment may not be attended with injurious results, to the material prosperity of the District.

No. 10. ORDER THEREON, 9th July 1859, No. 914.

The Board of Revenue assent to the views of Government on the subject of the felling of young teak trees in Malabar, as expressed in the order of June 13th, No. 781.

2. The Governor in Council resolves accordingly to give effect to that order and to direct that the illegal prohibition on the export of small sized teak logs shall be abolished immediately on the receipt of this order. A notification of the order of Government to this effect will be inserted in the Malabar District Gazette, in both English and Malaialam.

3. The attention of the Collector of Malabar will be called to the remarks in para. 2 of the order of June 13th, and he will be instructed to use all the means at his disposal, to prevent or punish the forest robberies there referred to.
